SUBJECT: International Conference on Hinterland Development and Strategies of the Pyeongtaek Port, Korea

EXECUTIVE DIRECTOR'S APPROVAL:

RECOMMENDED ACTION:

Approve SCAG staff to attend the international conference on "Hinterland Development and Strategies of the Pyeongtaek Port" in Seoul, Korea on November 29th, 2007.

BACKGROUND:

SCAG was invited by Professor Hee Seok Bang, Dean of College of Social Science and Director of the Port Logistics Research Center at Chung-Ang University, to attend the international conference on "Hinterland Development and Strategies of the Pyeongtaek Port" in Seoul, Korea on November 29th, 2007.

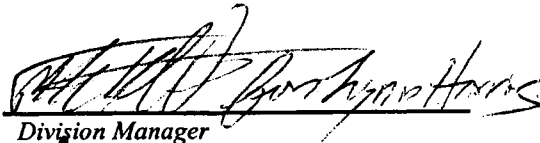

This conference is hosted by the City of Pyeongtaek and organized by the Port Logistics Research Center, Chung-Ang University. The purpose of the conference is to discuss how to develop the City of Pyeongtaek containing the Pyeongtaek Port as a major center of the goods movement.

SCAG is expected to make a presentation on policy and experience of SCAG for the regional planning and development linked with the cargo flow of the Los Angeles/Long Beach Ports at the conference. SCAG is also expected to provide post graduate students with a lecture on goods movement strategies in Southern California at Chung-Ang University.

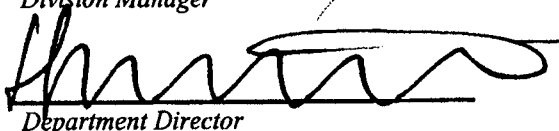

FISCAL IMPACT:

The City of Pyeongtaek and the Port Logistics Research Center will pay for any travel related expenses.

5th October 2007

Mr. Jim Gosnell,
Deputy Executive Director, SCAG

Dear Mr. Gosnell

This is an official invitation letter for you to visit Korea from 28th November to 4th December and to give a Speech in the conference on 29th November 2007 here in Seoul. The main topic for the conference is "Hinterland Development and Strategies of the Pyungtak Port." I hope you could present on the issues relating to "Guideline of the Regional and Hinterland Development linked with Port Complex(on concentration with lessons to be learned from LA/LB Port) Meantime During your visit I hope you can give 50 mins lecture for our post graduate students about Issues relating "Goods Movement Strategies in Southern California"

I am pleased to inform that we can cover the travel expense during his visit including economy class air ticket from LA to Seoul. I am sure that your visit will be invaluable for not only our students but policy makers both transport and city planner here in Korea.

I must show my many thanks in advance for your cooperation on this matter.

Sincerely yours,

Hee Seok Bang PhD
Dean, College of Social Science
Director, Port Logistics Research Center
